Principal's Message

We are delighted to have commenced our intensive swimming program for 2021. Students have used their growth mindset to overcome the unpredictable weather conditions and have been relishing the opportunity to attend swimming. We are fortunate to have staff and community members who are involved in the Werris Creek Swimming club sharing their expertise with our students in developing their swimming capabilities.

Next Wednesday, Healthy Harold and the Life Education program will be visiting the school via their virtual program. These sessions will support our PD/H/PE curriculum by covering positive relationships and online safety. We thank the Quirindi CWA for sponsoring this program in all schools across the Liverpool Plains region.

Last Thursday, the school conducted an onsite Evacuation practice drill. We were impressed with how sensibly all students participated in this procedure. Mr Stephens did visit classrooms afterwards and answered lots of valid questions that students raised.

The annual book fair will be held at school next week. It will be set up from Tuesday to Friday, with times available for students and their classes to browse. Order forms will be sent home to support parents with purchasing items, similarly to regular book club orders. Unfortunately, we are unable to have parents access the site for this activity.

In addition to our annual Currabubula parent survey, the school invites parents to participate in the Tell Them From Me Parent Survey. This is commissioned through the NSW Department of Education and focuses on student learning, service delivery and community engagement. The school does value feedback and uses this information to make informed decisions about its operations. A link to this survey will be distributed to parents via our Facebook and Seesaw platforms.

Parent teacher interviews will be offered in Week 10 this semester as a component of the assessment and reporting process. Whilst it is not preferable, these will be conducted by appointment over the phone. A separate note outlining these arrangements will be sent out shortly. Further information regarding presentation and end of year activities will be communicated in due course.

This Friday, we will be conducting our third Kindergarten transition session. This will involve Mrs Bonner and Mrs Massey, who will be the classroom teacher for 2022. We look forward to welcoming and working with our new kindergarten students and their families.

Mr Stephens

CALENDAR 2021

TERM 4	Monday	Tuesday	Wednesday	Thursday	Friday
Week 8 Nov	22 School Swimming	23 School Swimming	24 Music School Swimming	25 Music School Swimming	26 Library Kinder Transition 9.30-11.00am School Swimming
Week 9 Nov/Dec	29 School Swimming	30 Book Fair School Swimming	1 Music School Swimming	2 Music School Swimming	3 Library School Swimming

Upcoming Events

- Kinder Transition Fri 26h Nov
- Scholastics Book Fair 30th Nov
- Swimming 22nd Nov 3rd Dec
- School Dental Van week of Dec 6th
- Kinder Transition Fri Dec 10th

Reminders

Music lessons Mr MacBeth will run music over both Wednesday and Thursday mornings during weeks 8 and 9 while swimming is on.

K-6 Library is every Friday with Mrs Roach, please bring your library bag for borrowing.

Dental Van is visiting the school during the week starting 6th December. If you would like your child to take advantage of this opportunity please return a completed form as soon as possible. More forms are available from the office if required.

Lunch orders are available every Thursday from the Currabubula Pub & Café. Families are encouraged to order directly from the pub via phone or by dropping in your order.

If students need a spare copy of the menu, they can be retrieved from the office.

Book Fair will be run in week 9. Students can redeem their book vouchers at the fair.

Swimming

Students have enjoyed our first few days of swimming lessons at Werris Creek, even if it has been a bit chilly!

Swimming will continue each day next week along with some CPR training for the older students.

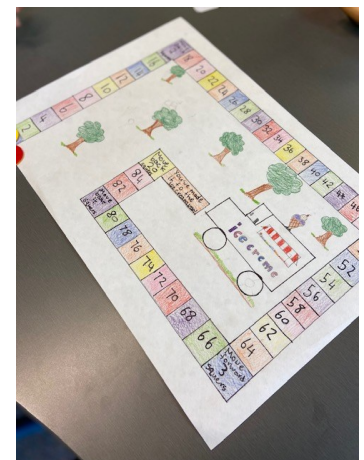

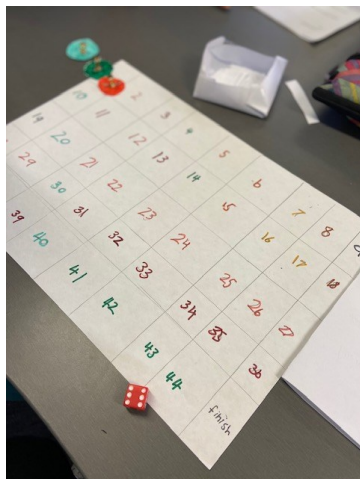

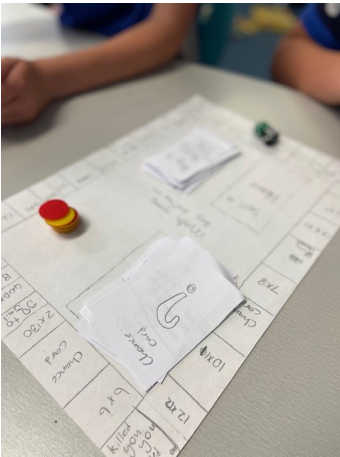

Kindy, Year 1 & 2

K-2 have proved themselves to be both skilled meteorologists and creative astronomers over the past week. Our integrated inquiry unit across English, Geography and Science continues. We have written & delivered weather reports, made our own rain gauges (and boy have we needed those!), created birds' eye views of Earth and built our own constellations out of mini marshmallows! Our innovative mixed media artworks of stormy skies have given us a creative outlet to accompany our inquiries.

Year 3/4 & 5/6

Our 3-6 students had a task to design their own game board. They were required to incorporate maths with fair rules and instructions. Some students were racing against the clock, practicing timetables and using money chips when purchasing property! Check out some of the fun games!

We finished the novel 'The Giver' By Lois Lowry this week! Ask your child what they thought of the story and why.
